

INDIAN RIVER STATE COLLEGE

Dual Enrollment Information Sharing Statement of Understanding

BACKGROUND:

Indian River State College has developed a system to share academic planning and academic progress information with approved high schools in the four-county area. The system will be used to share information with the following high schools:

1. First Name	Last Name	Work email	Work #	Cell #
2. First Name	Last Name	Work email	Work #	Cell #

These new counselors will be replacing the counselors below who will no longer need access to the DEAI system. Please remove their contact information.

1. First Name	Last Name	Work email	Work #	Cell #
2. First Name	Last Name	Work email	Work #	Cell #

It is understood that the information provided by IRSC is offered for the sole purpose of providing academic information to students and that all applicable laws and standards will be adhered to in safeguarding this information and the privacy of the students. I further agree to notify IRSC of any changes in the assignments of personnel listed below.
